RE: HURRICANE/EMERGENCY PREPAREDNESS

To Whom It My Concern:

In the event that evacuation shelters are opened in Liberty County we have designated room in the Liberty County Jail that sex offenders may report to in order to seek safe shelter. There is no separate provision made for registrants on probation vs registrants who are not on probation. In person registration for those seeking shelter is provided at the jail.

Registrants may contact the Liberty County Sheriff's Office at 850-643-2235 for more information during an emergency.

Sincerely,
