Subject: Sex Offender Hurricane Location

Good afternoon,

I was informed you reached out to LCSO in regards to information as to a shelter location for sex offenders during a hurricane. It has been the same location for many years and the sex offenders are given the information when they register in Lee County. If the sex offender decides to utilize a shelter they are required to go to the Ft Myers Police Academy and we (LCSO) has a check in process there. We also post signs at all other hurricane shelters advising the sex offenders they are not permitted and it directs them to the designated hurricane shelter at the police academy on Michigan Avenue in Fort Myers, FL.

Hopefully this helps answer any question(s) you have regarding the matter.

My desk line is 239-477-1167 if you need anything further.

Thank you.
