**RE: Hurricane / Emergency Preparedness**

Dear Ms. Colletta:

In the event of an emergency or need to shelter, all sexual offenders are to respond to the Hamilton County Jail for shelter. Unfortunately family, friends, or pets will not be permitted to shelter with the offender. This policy applies to all offenders/predators no matter what their probationary status. Please feel free to reach out if you have further questions or concerns. You may contact Terasa L Newsome or Theresa L Williams, who are Hamilton County Sheriff Sexual Offender Liaisons.

Sincerely,
