

Dear Sir/Madame,

Truth. Sex offenders have the hardest time finding a place to live.

Did you know that there are 747,408 sex offenders in the United States and that almost 15% of sex offenders (113,000) get re-arrested for not reporting an address. The reason... **NO PLACE TO LIVE!** If you are facing a circumstance where your living situation has you living with family, friends, a half-way house, or even a hotel, call us today so we can help you. We are **Findyouaplace.com**, a residential locator for people with a felony in their past. With over 20 years of real estate and home sales experience, we have the know-how to get the job done. We charge a flat fee of **\$99** and offer a **conditional guarantee**.

Our goal is to assist individuals required to register as SO's an opportunity to get a place of their own. No embarrassing questions, just a real desire to help. We look for more than just apartments, our search includes condos, mobile homes, and rent houses.

If home ownership is what you are seeking, we can help with that as well. Our ultimate goal is to make every renter a home owner.

We will try to find the best fit for you at a price you can afford. We eliminate the need for making hundreds of phone calls or driving around aimlessly. One of the things SO's have to deal with are leasing agents who take the application fee knowing they cannot help you. That's a loss of \$50 to \$150 dollars just thrown away!

No more walking into a leasing office having to explain your situation to yet another stranger who looks at you like you have an arm growing out of your forehead. With our services you can confidently walk into a leasing office knowing we have already explained your situation in advance and worked out the details. Call us today at **(346) 250-8583** to set up an appointment. Take a look at our website at www.findyouaplace.com for more details. You have nothing to lose and everything to gain, call us now!

We look forward to meeting you.

Regards,

Melissa Titus-Torres
