Ms. Colletta:

I am in receipt of your letter regarding requirements for sex offenders visiting West Virginia. I will answer each question in order presented.

- 1) A visitor must be here 15 continuous days to qualify for registration.
- 2) Yes, if they are here long enough and qualify for publication.
- 3) Visiting sex offender will be removed once they return to the State Police office and complete the moving out process.
- 4) WV sex offender registration law does not restrict sex offenders. If a sex offender is under the supervision of probation or parole there would be restrictions placed on them by the supervising officer.
- 5) West Virginia does not tier offenders. We have life and 10 year. Duration of registration is defined in §15-12-4 of the WV State Code.
- 6) Registration occurs with the State Police office in the county the offender is visiting. A directory of locations can be found on our website www.wvsp.gov use the contact us tab.
- 7) The registration process can be found in our State Code §15-12-2 (d).
