RE: Agency Request of October 30, 2019, Reference # A165147-103019

Dear Gail,

Jacksonville Sheriff's Office received a public records request from you on October 30, 2019. You requested the following:

***Please provide the following information:***

- 1. Where can registrants evacuate to during a hurricane or natural disaster?***
- 2. If separate provisions are made for registrants on probation vs. registrants not on probation, what are they?***
- 3. If specific shelters have been designated for registrants, what is/are the location of those shelters?***
- 4. Will registrants be separated from their family if seeking shelter in a designated location?***
- 5. If an evacuation last 3 or more days such that the evacuation location becomes a "temporary residence" pursuant to F.S. 943.0435, are your registration locations open during the hurricane or natural disaster, to enable a registrant to comply with the in person registration requirement? If not what provisions are made for compliance?***
- 6. Who can a registrant contact for more information during an emergency?***

After a diligent search, our office has located no records which are responsive to your request.

Our mainline telephone number is 904-630-8633 where we can answer questions in relation to the above mentioned questions.

Thank you for your patience in awaiting this information.
