Subject: Hurricane preparedness

Ms. Colletta,

Sex Offenders in Madison County register in Madison County at the Madison County Jail Monday through Friday between 0900 hours and 1600 hours, excluding exigent circumstances that can allow registering 24 hours a day seven days a week. The Madison County Jail is open 24 hours daily 365 days yearly. Regardless of crisis.

The Madison County Board of Commissioners manage and operate the Madison County Emergency Operations Center for Madison County and not the Sheriff's Office. The EOC determines pre-designated shelters for evacuations during hurricanes or other disasters.

Respectfully,

Epp Richardson, Undersheriff
