

**Search addresses for prohibited establishments at the radius of your choice**

**View Residency Restrictions for every state**

**View Registration Laws for every state**

**Resources for Lawyers, Housing, Real Estate Agents, and Therapists**

**Groups and Organizations supporting rational registration laws**

# INTRODUCING SAFE LIVING SEARCH

## Residency Screening Search Engine

This website is designed to aid anyone with residency restrictions looking to establish a permanent or temporary address. A nationwide search feature, powered by Google Maps, allows full customization to fit your needs to find a residence that complies with your local residency restrictions.

With Safe Living Search, finding a place to live, stay, or visit should be as easy as searching on Google or Apple maps.\*
