### Men's Support Group

**Peer-led Men's Group starts Tuesday December 9th at 7pm ET by phone conference.**

- Safe and equal space where men forced to register (MFR) can learn and grow from one another.
- Share who you are because of your lived experience, not in spite of it.
- Participate in discussions with deeper understanding, strong support, and collective advocacy.
- It is an opportunity to turn survival into resilience, and resilience into change.

To participate leave text or voice message at 833-273-7325 Option 1. Let us know your name, county, topic of interest and if you would like to be a guest speaker. We will contact you with the phone number (or Zoom link if you have internet access).

**WARNING: Beware of SCAM calls.** Your Sheriff office will NEVER call you to tell you about a warrant or ask you to pay a fee over the phone...**IT'S A SCAM.** Hang up and report the call to the Sheriff Office. In another scam, if you receive a postcard from Offender Reputation and Removal (o-rep.org) claiming to fix your reputation and remove you from the FL Registry for \$25,000 or other fee... **IT'S A SCAM.**
