56	2024	FDLE now can oppose removal petitions.
57	2024	Additional employment information is required

Where is the empirical evidence that supports the need for any of these requirements?

You are encouraged to talk to families, impacted by the growing number of requirements placed on them as they, too, are impacted by the Registry.

Contact info@floridaactioncommittee.org for research and evidence of the harm caused by the Registry in Florida to registered citizens and their families.
